

Nelson PTA Newsletter October 2026

PTA Message

October news that's all treats, no tricks! We hope your children have settled into their new routines and are enjoying school. We want to thank everyone who attended the Back to School Bash. It was so nice seeing everyone come together. The fall fundraiser starts 9/28 and ends 10/12. Money earned goes towards all PTA sponsored events and enrichment activities. Remember with the cooler weather approaching to please send your student to school with a jacket for recess.

October 19, 26-30
Early Dismissal

**HAPPY
HALLOWEEN**

Principal's message

Happy October, Navigator families!

It has been wonderful to see our school community settle into the rhythms of a new year. Across Nelson, our students are building relationships, learning routines, taking on new challenges, and showing us every day what it means to be a Navigator.

As we move into October, one of our continued priorities is strengthening the partnership between school and home. Our students are most successful when they know that the adults around them are working together, and I'm grateful for the many ways our families and PTA support our students and staff. Whether you volunteer, attend an event, connect with your child's teacher, or simply ask your Navigator about their day, know you're making a positive difference!

October also brings plenty to look forward to as a school community. I hope you'll continue to watch for upcoming PTA and school events and find opportunities to join us. Building a school where students and families feel connected and proud to belong takes all of us.

Thank you for a great start to the year and for trusting us with your Navigators. I'm excited for what's ahead!
